Sale of Large Waikoloa Resort Hotel. Represented 87% owner in the sale of its interest in world- class resort hotel to the minority owner/manager of the hotel. Transaction was complicated by a number of factors, including (1) the fact that a significant portion of the purchase price was paid for with unregistered shares of stock of a publicly traded corporation; (2) the real property upon which the hotel is situated is leasehold and the transaction required the consent of the ground lessor; (3) a portion of the premises involved "ceded lands" that were the subject of significant title issues; and (4) the hotel was subject to a collective bargaining agreement. Mr. Fisher was primarily responsible for drafting and negotiating the purchase and sale agreement, and was substantially involved in resolving all complexities of the deal, and coordinated a successful real estate closing of the transaction all in less than thirty days. Court-Appointed Receiver. Mr. Fisher was appointed by the First Circuit Court of the State of Hawaii as a receiver to take control of a debtor's judgment, execute upon and sell a large, multi-million dollar parcel of land, and distribute the proceeds pursuant to Court Order. "Starn O'Toole Marcus & Fisher is a firm (and most importantly partner, Duane Fisher) I've used both personally and professionally for over 13 years and I couldn't ever think of using another firm. Duane is knowledgeable, creative, responsive and a great problem solver. Rates are fair for the product delivered and I really couldn't be happier. I can't say the same for many other firms I've used for specialty work over the years. I received top notch service from Duane and any other colleagues I've ever worked with. I recommend them without hesitation.
